

# TOP STARS

inspiring uses  
of hubble  
in education

K-12 ■ College ■ Informal

*Starburst Galaxy M82*

# Are you one of the next **HUBBLE TOP STARS?**

**For almost 20 years, NASA's Hubble Space Telescope** has inspired and engaged educators and students of all ages. Formal and informal educators are invited to submit their best examples of using NASA's Hubble Space Telescope for science, technology, engineering or mathematics education.

Those selected as Top Stars will receive national recognition and awards, including a limited edition print of a new Hubble image.
