Briefly explain how this system functions.

_____ The helmet seals off the top of the suit. It has a window for looking
_____ out and a sun visor. The neck ring connects to the shoulders of the
_____ suit.

Interface Control Documents are a communication tool that helps the various Martian Surface Exploration Suit design teams to coordinate with each other. This sample shows a design for a space helmet. The team working on the upper torso will learn from this document how large the connection with the helmet has to be.
